- Cookbook for two people

Hello Love: Two people find each other, fall in love, move into their first home together and spend time as a couple. And since we know that love also goes through the stomach, all of this can only be topped by the unbeatably simple and delicious recipes for two in this book. Whether breakfast in bed with airy mascarpone crêpes, wonderfully romantic menus for a candlelight dinner or the pan cookie to share: There's no better way to celebrate love than with this book!
